Training Goals

6. What are your primary goals for training?

7. What behaviors are you hoping to improve or eliminate?

House & Crate Training

8. Is your dog fully housebroken?

9. Does your dog have accidents inside the home or crate? If yes, please describe.

10. Does your dog bark, whine, panic, damage, or attempt to escape the crate?

11. Has your dog ever repeatedly urinated or defecated in its crate, or laid in its own waste?

Behavior

12. Has your dog ever bitten, attempted to bite, growled at, snapped at, or lunged toward a person or another dog? If yes, please explain.

13. Does your dog guard food, toys, furniture, or people?

14. Does your dog show signs of separation anxiety or excessive anxiety?

15. Does your dog excessively bark, destroy property, or have difficulty settling?

16. Has your dog ever been refused or dismissed by a trainer, groomer, boarding facility, daycare, veterinarian, apartment complex, or other facility due to behavior?

Handling

17. Does your dog resist being handled (collar, feet, ears, mouth, grooming, bathing, veterinary care, etc.)? If yes, please explain.

Medical

18. Does your dog have any medical conditions or take any medications that may affect training?

Previous Training

19. Has your dog received previous professional training? If yes, where and for what?

Final Disclosure

20. Is there anything else about your dog's behavior, temperament, medical history, or daily routine that we should know before accepting your dog into training? This includes any behaviors not covered above, behaviors you may consider 'minor,' or anything you have considered mentioning but have not.

Complete and honest disclosure helps us determine whether your dog is an appropriate candidate for our training programs and helps prevent delays or refusal of service at drop-off.
